

30 DAY PRICE PROTECTION CLAIM FORM

Buy select tires (includes tire price only) and if you find a lower price within 30 days from the date of purchase, including our own sale price, we'll be happy to refund you the difference plus one dollar.

Eligible Tire Brands: Goodyear, Cooper, Toyo, Dunlop, Kelly

***Competitor's verifiable ad, written estimate or internet quote for identical tires qualifies. Internet quote must include mounting and freight charges, for identical tire(s) required during protection period for price match. For comparison purposes remember to include the manufacture's rebate in the total cost of the tires from Express Tire. Example: Invoice Total \$400.00 for 4 tires less manufacture's rebate of \$75.00. Your net cost of the tires is \$325.00.**

All you want to do is:

1. Complete this form
2. Attach a copy of your original invoice (if you can't make a copy no worries just include the number, we can look it up)
3. Attach original qualifying* competitor's ad or quote (this one's really important)

The approved credit will be issued in the same manner in which the tires were purchased. If you paid cash for your purchase we'll send you a check.
